Beth Anne Fausone Joins Comprehensive Therapy Center

Grand Rapids, MI – Speech-Language Pathologist, Elizabeth Anne Fausone has joined Comprehensive Therapy Center. She will be providing clinical speech-language services in an outpatient setting to adults and children with speech-language, swallowing and voice disorders.

Ms. Fausone specializes in head and neck, voice, and swallowing disorders. Her scope of practice provides evaluation and treatments including voice evaluations utilizing Video

Stroboscopy, clinical swallowing evaluation and Tracheo Esophageal Puncture (TEP) management. New patients are being accepted.

“Beth Anne brings more than 25 years of experience to our agency and we are thrilled to be expanding our therapy offerings to the community,” comments Jean Silbar, Executive Director.

Accredited by CARF, Comprehensive Therapy Center offers the West Michigan community speech-language, occupational, sensory and motor therapies along with academic tutoring specializing in learning disabilities. Our summer outreach program, Therapy and Fun, and our school-based special education services help children with special needs to walk, talk, learn and play. Comprehensive Therapy Center’s mission is to provide therapeutic and advisory programs to individuals through skill building, academic enhancement and social emotional support.
