Summer Enrollment Open for 30th Therapy & Fun Clinic

West Michigan –Comprehensive Therapy Center will again offer its popular [Therapy and Fun Summer Clinic](#) three mornings a week from June 18 to August 2. The clinic helps children with disabilities, ages 1 to 12, walk, talk, learn and play so they can read and write.

Therapy and Fun combines professional speech-language, motor and sensory therapies with recreational activities, like arts and crafts, music, story time and outdoor play.

Parents surveyed in 2011 said:

- “Daniel is more social and even learned some new words!”
- “Avery learned to use her iTouch. It speaks when she can’t say the words.”
- “School will be much better for Spencer. He can now ask those difficult who-what-where-when-why questions.”
- “The teen volunteers are so sweet and helpful, and the therapists always had fun new ideas. Love it all!”

Enrollment and screenings begin in April. Space is limited. Call 616-559-1054. The program accepts health insurance, and Medicaid. Tuition is on a sliding scale. The clinic is located near Aquinas College.
