

Happy Birthday, Dr. Seuss!

Did you know that Dr. Seuss' real name was Theodor Seuss Geisel? He was born on this day in 1904 - which means that he would be 107 years old today!

"If you never did you should. These things are fun and fun is good." -Dr. Seuss

From Our Sensory Workshops: Green Eggs and Ham

- Make scrambled eggs and drop in a few drops of blue food coloring (yellow and blue make green).
- Cut ham or extra-firm tofu into bite sized pieces. Put in a greased frying pan and pour eggs over it.
- Stir until eggs are set.
- Eat them in a house and with a mouse!

If you take photos of you and your children doing this activity, [please share with us!](#) We'd love to share your action shots on our website.

Cat in the Hat Lets Parents Speak: Parent Comments About Therapy & Fun

Our Mission

We provide therapeutic and advisory programs to individuals through skill building, academic enhancement, and social emotional support. We help people walk, talk, learn, and play - so they can read, write, and work.
