

June 21 to August 4, 2022

## Come join the Fun!

### What?

Therapy & Fun is an integrated and intensive program that achieves maximum therapeutic progress for children ages one to fourteen. Come join us as we sing, dance, create, and play through individual and group therapy sessions.

### Where?

Location To Be Determined

### When?

June 21 to August 4  
Tuesday through Thursday  
9:00 am to 12:15 pm

Enrollment begins **February 15.**

### What We Offer

- Dance/Movement Therapy
- Occupational Therapy
- Social Groups
- Speech-Language Pathology
- Counseling

### Our Scope

We serve children with a variety of developmental differences. Many have multiple diagnoses including ADHD, apraxia, autism, cerebral palsy, cognitive impairments, developmental delays, Down syndrome, genetic disorders, and feeding issues.

Prior to Therapy & Fun, a screening appointment with you, your child, and our therapists will help us understand your child's unique needs. We are also interested in maintaining your child's continuity of care with their therapists and educators.

*"Not only is it a place for [children], it is a place for volunteers and social work and for students to learn... It's like you found every possible way to serve by doing this. I am highly impressed, you guys are such a gem."*

-Therapy & Fun Program Parent

### Who May Attend?

Children ages 1 to 14 who need speech-language, occupational, and/or sensory therapy. *We do not administer medication, nor do we have a nurse on*

## Spots are limited: Sign up early!

## Therapy & Fun Helps Children

### Speak, Read and Write!

- Using and understanding language.
- Articulation and phonology.

### Move and Play!

- Gross and fine motor skills.
- Running, skipping and jumping.

### Enjoy New Experiences!

- Improved reaction to touch, sights, movement, or sounds.
- Better coordination.
- Better feeding and swallowing.
- Making new friends!

### Cost

We charge for the therapy your child receives and for the screening appointment; the fun your child will have is free! We accept most insurances, including Medicaid. Service Fees are on a sliding scale based on income.
